WELCOME TO CAMP THUNDERMOON!

At Camp Thundermoon our days are filled with great opportunities for friendship, learning, and fun!

Our focus for fun is within three key areas:

- Spirit (the Arts)
- Mind (Science/Reading)
- Body (Health/Wellness).

In addition we strive to instill the YMCA areas of focus:

- Youth Development
- Healthy Living
- Social Responsibility.

There's nothing like a Y camp. At Camp Thundermoon kids are provided a safe environment, positive role models, and memories to last a lifetime. When you count on us, you can count on the best summer EVER for your child!

Welcome to Camp Thundermoon...BOOM!

ABOUT CAMP THUNDERMOON

GENERAL INFORMATION

Camp Thundermoon is held at Willard Elementary School in Berlin, CT. Our camp program utilizes various areas of the facility including indoor/outdoor spaces and the playground. No Y membership required, open to all! However having a Meriden-New Britain-Berlin Y membership will help save you money.

HOW DOES CAMP WORK?

We group our campers into three different units based on age. Each unit is assigned a director and at least one counselor who oversee the group. We strive to maintain a ratio of campers to counselors that meets or exceeds the State of CT regulations. Our camp is a **drop-off and pick-up program in Berlin**. New Britain families have the option of bus transportation for an additional fee.

ACTIVITIES

Campers will participate in a variety of fun and age appropriate activities, all based around the weekly theme. Our focus for fun is within three key areas of Spirit (Music & the Arts), Mind (Science/Reading), and Body (Health/Wellness).

SWIMMING & MORE AT OUR Y FACILITY

Each Unit will visit the New Britain YMCA or Meriden YMCA facility to swim twice a week (Monday through Thursday). Bus transportation is provided and will leave camp by 9:30 AM on swim days. Swim time includes group swim lessons and free swim time. Campers will also enjoy organized gym games and will get to use the indoor rock wall. All activities are supervised by Camp Staff, certified Rock Wall Staff, and certified Lifeguards. Campers will return to camp by 12:30 PM to have lunch and enjoy the rest of the afternoon activities.

FIELD TRIPS & MORE!

Field trips are a great addition to our camp program. Typically field trips are on a Friday of a field trip week. There is a minimal cost per camper to attend most field trips. A detailed permission slip will be sent home with campers at the beginning of that session. During non-field trip weeks, we'll have a camp show for friends and family to enjoy and/or an all camp activity that goes with the weekly theme. *New - pay the field trip fee at time of camp registration.

STEM Exploration Camp I

July 8 - 12

Do you like to explore science, solve problems and use technology? Join us for an engaging session of exploring many different STEM Challenges through hands-on investigations. Different engineering challenges from Session I. Ages 8 - 12.

Robotics Camp

July 15 - 19, August 5-9

Secure your student a spot in one of the most prestigious upcoming career fields: Robotics! This program will not only include computer science, programming, and coding, but will further delve into circuitry, video game design and creation. Students will even have a chance to design and build their own robot as a team with high-tech VEX IQ materials. Passion for STEM can be started early with this fun, competitive robotics camp! Ages 9 - 12.

Fee for Robotics Camp:

Members: \$200 Non-members \$210

Electric Circuit Inventions

July 22 - 26

Come join us in building exciting projects such as FM and AM radios, digital voice recorders, burglar alarms, doorbells, and much more! All parts are mounted on plastic modules and snap together with ease. This engaging program makes learning electronics easy and fun with Snap Circuits and Little Bits. Ages 9 - 12.

STEM CAMPS

Rocketry Camp

June 24 - 28

Get ready to blast off with this exciting program! Students will have the opportunity to build small rockets from household materials that they can launch at home, eventually building up to a well-designed rocket that will be launched from our own high pressure air compressor. Participants will also build, and launch, a model rocket. Students with a knack for engineering and design should consider this course in basic rocketry. Age 8 - 12.

Maker Camp

July 1 - 5 (No camp July 4)

Our maker program will center on our students producing projects that will focus on being hands on and make a product that can be brought home and shared with their families and local community. Throughout all projects, we will continually emphasize the engineering design process, creativity and the importance of collaboration. Camp projects will include basic robotics with Bristlebots, the Great Cardboard Challenge, Rube Goldberg style machines/inventions and coding a robot to travel through a maze. This theme will help the students bring out their analytical ways of thinking and how to apply life skills to engineering and design a "best product". Age 9-12.

Space Camp

July 29 - August 2

Developed with NASA based activities, this camp explores what it really means to be an astronaut and a aerospace engineer combining science, engineering, and math all in one. Students will be building, launching, and exploring the various structures launched into space while thinking about the scientific factors that go into real NASA space explorations. This camp introduces children to the principles of engineering through hands-on NASA themed activities that apply the engineering design process to solve problems and generate solutions. The emphasis is on students understanding that engineers must imagine and plan before they begin to create and test. This camp will include an basic rocketry as well. Come join us for a great time!

Chemistry Camp

August 12—16

Explore a different side of STEM with this new program. As junior chemists, students will study the substances that make up matter—everything that takes up space in the universe. They also study the changes that take place when substances are combined. These changes are called chemical reactions. Participants who join will have the chance to see how the properties of substances can make for exciting projects; some projects might include slime, foam dough, and lava lamps. Age 9 -12.

STEM Explorations II Camp

August 19 - 23

Do you like to explore science, solve problems and use technology? If you do, then STEM Academy is the perfect place for you! Join us for an engaging session of exploring many different STEM Challenges through hands-on investigations. Challenges will be different from Sessions 1 and 2 STEM Exploration Camp. Age 8 - 12.

MUSICAL THEATER CAMP

FREQUENTLY ASKED QUESTIONS

HOW CAN I CONTACT MY CHILD AND/OR CAMP STAFF DURING THE CAMP DAY?

Once camp begins, the camp phone will be the main way to directly contact your camper or the camp staff. The camp phone number will be given out once camp has begun.

You can also call the New Britain YMCA at (860) 229-3787 or the Berlin Y at (860) 357-2717 to speak to someone there who may be able to assist you.

If camper's need to call a parent for something—they should be using the camp phone in the office. **Campers are NOT allowed to have cell phones at camp.**

IS LUNCH PROVIDED AT CAMP?

Lunch IS NOT provided. Campers must bring a COLD lunch (including drink) each day to camp. Lunches will be collected every morning and refrigerated until lunchtime. Please make sure to pack a well-balanced lunch including a sandwich, snacks and a drink. Campers are very active throughout the camp day and are usually very hungry at lunch. **Lunches should be packed in a brown bag or Ziploc bag with the child's name on it.** *Lunch boxes take up a lot of space in the cooler so please use a bag.*

**Please note: We have a lot of campers with food allergies and peanut allergies, so please be courteous when choosing foods to send for lunch.*

Also in situations where camper's forget their lunch, or if camp staff feel an inadequate lunch has been provided for a camper—parents will be notified in the morning and will be expected to provide a lunch by lunch time.

IS AN AFTERNOON SNACK PROVIDED FOR EXTENDED CAMP CARE?

A pre-packaged snack and drink is provided for all campers who are registered for *Extended Camp*.

WHAT IF I NEED TO CANCEL MY CAMP REGISTRATION?

- **At least a 1 weeks notice is required for all cancellations.**
- Upon cancellation, a system credit (minus the Camp Fun Fee) will be given for any camp fees paid. The credit can be used towards any future YMCA program.
- Full refunds (minus the Camp Fun Fee) are given for medical reasons (must provide a note from the child's physician) and/ or emergency reasons only and are at the discretion of the Camp Director.
- Fees will not be refunded for absence, failure to attend during the term of enrollment, delayed attendance at camp or dismissal from camp.

CAN MY CHILD ARRIVE LATE TO CAMP?

Campers that will be arriving late for camp **MUST** be signed in at the camp office by a parent/guardian.

WHAT IF I NEED TO PICK MY CHILD UP EARLY FROM CAMP?

The camp office must be notified if a child will be picked up early from camp. Please send a note in with your camper on the day that he/she will be dismissed early or call the camp office the morning of. Please provide extra time when picking up your camper early from camp, as they may be involved with an activity at the time that you arrive. If the camper will be picked up by someone other than a parent/guardian, that person must be listed on the camper's registration form **and** must present a photo I.D. **Please note: Campers will not be released to anyone not on the Authorized Pick-up List or to persons on the list who do not present a valid I.D.*

By signing this form, I agree to pay the amount due the **MONDAY BEFORE** each new session of camp. It will be my responsibility to notify the New Britain-Berlin YMCA in the event that I cancel my credit/debit card. I will also notify the Y when I receive a new expiration date on my card. If for some reason a transaction will not post (i.e. account closed, account suspended, insufficient funds), I understand that I will be charged a **\$20.00 fee**. I understand that if my payment isn't received prior to the start of the next session, then my child won't be able to attend YMCA Camp Thundermoon that session.
