Dear Y child care families:

The Meriden-New Britain-Berlin YMCA hopes that you and your families are staying safe and healthy during this time. We are hopeful that the public is heeding the warnings in regards to the seriousness of this pandemic. We ask that families and friends execute the procedures outlined by the CDC, local and national governments by washing their hands, sanitizing surfaces, practicing social distancing and do their best to prevent the spread of the coronavirus.

As you are aware we have suspended all child care services including AM/PM school age care until further notice following recommendations made by the CDC, local and state health departments.

### **Emergency Child Care for Hospital Employees**

If you are an employee of the Hospital for Special Care, or Hartford Healthcare's Hospital of Central Connecticut New Britain General campus or MidState Medical Center and are in need of child care please contact Tina Valentin at 203-314-1738 or [tvalentin@meridenymca.org](mailto:tvalentin@meridenymca.org). There are a limited number of spots for infant, toddler, preschool and school age.

### **Child Care Payments**

We wanted to reach out to you in regards to your YMCA account and services. Your account does indicate that you have paid in advance, so at this time we have stopped future tuition autodraft payments effective 3/23/2020. Autodraft payments that were made the week of 3/9 and 3/16 were applied to your YMCA account as a system credit unless the payments were returned unpaid.

As of this week the Governor has advised CT schools are closed until April 20th. In the event schools do reopen April 20th, our YMCA AM/PM program will also open. The first two weeks of care we provide, you will not be autodrafted and we will use the system credit to pay for care for those two weeks. This will also apply to our child care centers. Once we reopen, your first two weeks of care will not be autodrafted and we will apply the system credit.

In the event that schools remain closed for the remainder of the school year, your system credit can be applied to YMCA summer camp tuition, YMCA programs, applied
